Dear Head teacher,

LEWISHAM PRIMARY SCHOOLS SWIMMING GALA

I am delighted to invite your school to participate in the 2010 Annual Lewisham Primary Schools Gala to be held at Ladywell Leisure Centre on Friday 19th March 2010. The gala is being presented by Saxon Crown Swimming Club, the Lewisham Borough club, in partnership with Parkwood Leisure plc.

I hope this year gala will be the most successful yet and provide an excellent opportunity to recognise the many talented swimmers in the borough and develop opportunities for all participants. For example, swimmers who are not members of swimming clubs will have access to subsidised membership fees at Saxon Crown Swimming Club and club link sessions. Swimmers that perform well may be chosen to represent Lewisham at the London Youth Games – Mini Games.

The gala will be open to swimmers currently in school years 5 and 6, consisting of 1 length races in each of the four competitive strokes. There will be girls and boys events in each year group, along with Freestyle and Medley mixed relay events. The gala will be run in accordance with ASA Rules. Awards will be given to the first six swimmers in each individual event and to the first three relay teams in both events. The Parkwood Leisure Trophy will be presented to the school gaining the most points overall at the gala.

I have included an information pack and entry forms. Entries will be accepted on a first come first served basis, so a prompt response is recommended. If you have any queries, please do not hesitate to contact me.

I would like to wish your school and pupils the best of luck at the gala.

Regards,

Tony Bagnall
Lewisham Community Swimming Coach
